About Front Page Photography

Our Mission at Front Page Photography, is to capture the most special moments of your life, preserving the images and the emotions, for you to relive again and again.

School Portraits by Front Page Photography provides your school or daycare with many benefits, here are just a few...

- ◆ Picture packages delivered within four (4) weeks.
- ◆ Professional and Personable Photography Teams.
- ◆ All school Staff members are photographed and receive a complimentary portrait package that includes both a class picture and a staff picture.
- ◆ Absentee Day or Make-Up Day is provided following a regular school Picture Day.
- ◆ All students and staff photographed on Absentee Day or Make-Up Day are included in Staff and Class composites.
- ◆ Picture Day posters are included with the promotional material your school receives prior to Picture Day.
- ◆ All products are fully guaranteed. The return of unsatisfactory photographs, for any valid reason, entitles the customer to a complete refund or the opportunity to be re-photographed on Absentee Day or Make-Up Day.
- ◆ Photo Day fund-raising program for non-profit organizations.
- ◆ Yearbook services are available.
- ◆ Photo promotional items such as Key Rings, T-Shirts, and Posters also available!

You can trust Front Page Photography to capture the important moments from preschool through high school, with professional portraiture. Whether individual or group photographs, teams, event, or proms, Front Page Photography will help you to preserve the memories for tomorrow.
